CRC Beauty Cote Work Plan.

Be well prepared to protect CRC

1. Nothing touches the floor, All must be on wheels.
2. Carts & MEWPs wheels must be replaced with a cleaner type (White).
3. Always have protective sheets/board on site to use for cover areas.
4. Damaging CRC will cause unnecessary and painful expenses to your company.

Stop and Think- We've Got the Power

Are you aware of the power that was recently introduced on site? What type of power is it? *

How does this affect you? *

What other live systems are you working around? *

What are you going to do to protect yourself and others from this hazardous energy? *

Complete 1 per day

Heat Index- August 12th
